SILICONE PAD CATALOGUE

ŞAHİN

Pad & Screen Printing Products

www.sahinbaski.com

Our aim is to supply the right silicone pad for every application. Our extensive range of standard options is unrivalled. Contact us directly at any time for help selecting the ideal silicone pad shape. We will be happy to guide you through your selection. In addition to our standard models, we can manufacture custom-shaped pads to meet our customers' specific requirements.

Just ask us: “Nothing is impossible.”

Our pads offer excellent surface quality, long service life and lasting value.
